The was divided into three parts:

1. The Ceremony started with the traditional lighting of the lamp by the Principal Sr. Agatha Kandulna Vice-Principal Sr. Salomi Hansda and tribute to Sardar Vallabhbhai Patel by all the faculty members and student representatives. Mr. Shyam Tudu, Sanskrit Lecturer threw light on the biography of Sardar Vallabhbhai Patel. Afterward the students gathered in the respective four groups for the quiz competition. Quiz competition was aimed at evaluating participants' knowledge, fostering intellectual curiosity and develop confidence among the students on the various topics which is related to their life.

2. Ursuline Primary Teachers' Education College, Chandrapura commenced its observance of Vigilance Awareness Week - 2025 today, October 27, 2025, in alignment with the Central Vigilance Commission (CVC)'s mandate. The official commencement was marked by the Integrity Pledge at 11:00 a.m., administered by Principal Sr. Agatha Kandulna and Vice-Principal Sr. Salomi Hansda. The Vigilance Awareness Week 2025 is being observed across the country from today 27th October, 2025 to 2nd November, 2025. This solemn Pledge was taken by the UPTEC community to affirm their collective commitment to upholding the highest standards of transparency, integrity, and accountability in all institutional activities, thereby reinforcing a culture of ethical governance and vigilance.

3. Lastly there was a Debate competition for all the four groups of the college on several current issues. This was aimed to develop critical thinking, public speaking, and respectful communication skills while raising awareness about important societal and global topics.

The event ended with the poster making competition where students used their critical thinking ability to make a creative poster on the given themes. The competition was successful in showcasing the students' artistic talents and their understanding of the theme. The posters effectively conveyed messages about India's digital transformation, demonstrating the creative skills of the student participants.

A Seminar on Cyber Hygiene and Cyber Security Awareness

Ursuline Primary Teachers Education College, Chandrapura, organized an awareness seminar today focusing on cyber Hygiene and cyber security in collaboration with Central Vigilance Commission and NCTE on 15th September 2025.

Mr. Vijay Kumar, SDPO, Maheshpur, was the guest speaker at the event. He was accompanied by Mr. Ravi Sharma, Police Station In charge, Maheshpur, and Mr. Vikas Tiwari, a technical expert. The seminar commenced with the traditional lighting of the lamp followed by welcome song by students and felicitation of the main speaker.

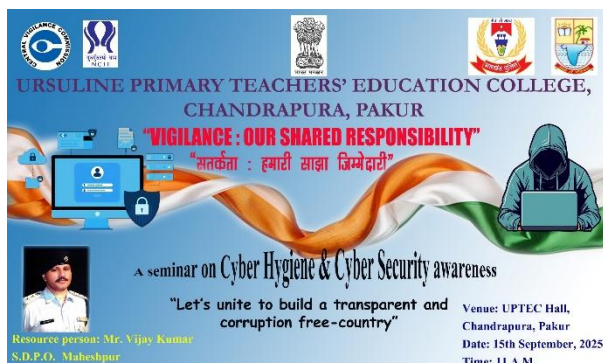

The Seminar aimed to educate students about various types of cyber threats and the importance of cybersecurity in today's digital age. Attendees discussed prevention strategies and the importance of reporting cybercrime incidents. This initiative reflects the college's commitment to raise awareness about critical issues affecting the community and empowering students with the knowledge to safely navigate the digital landscape.

Mr. Vijay Kumar, SDPO Maheshpur, delivered an informative presentation that highlighted a wide range of cyber threats and crimes, including hacking and cracking techniques, phishing and its various forms, phishing and pharming attacks, email bombing and its implications, the intricacies of salami attacks, steganography and its use in cybercrime, skimming and its impact on financial security, vishing (voice phishing) strategies, and the dangers of pornography in the digital space. The speaker also highlighted the necessary preventative measures for all these cyber threats and taught students practical strategies to effectively protect their digital presence.

The speaker advised students to understand that no one gives money for free, avoid greed, and educate their parents and relatives about these dangers. He emphasized that students should help their families remain vigilant to avoid becoming victims of cybercrimes. Victims were advised to immediately report incidents to the toll-free number 1930, which could help recover lost funds along with proper complaint details.

Students and teachers actively participated in the session, asking relevant questions and sharing their concerns about cyber security. The interactive nature of the program promoted a deeper understanding of the subject matter.

The seminar was concluded with the vote of thanks by Principal Sr. Agatha Kandulna followed by the National Anthem.
